Dear Parents and Cadets,

Welcome back!

We're continuing to grow, and appreciate your word of mouth referrals! Please encourage others to come down and join our highly successful corps. We have some great activities planned this year and will continue sail racing, sea deployments, and our International Exchange to New Zealand. If you're interested in joining the exchange, please contact fraserseacadets@gmail.com for further information.

I am looking forward to another successful training year and seeing our cadets continue to make FRASER the best Sea Cadet Corps in Canada.

Bryan Watson
Lieutenant(N)
Commanding Officer

Participating in Cadets

Cadets are expected to be responsible for their own involvement in the program with coaching from parents to help them become independent young adults. Please ensure that if your cadet is not able to attend an activity, is going to be late, or needs to contact the corps that they handle it themselves with your guidance, if necessary.

How You Can Get Involved

The Navy League Branch supports us by providing our excellent facility and financial support for training activities. As such, each Cadet is expected to participate in fundraising activities with the Corps.

If you would like the opportunity to attend branch meetings and be involved in the decision making process, the branch is always looking for new members! For more information, **email the Parent Committee at 102.rcscc.pac@gmail.com**

Branch members maintain the buildings at the Annacis Island Training Facility. If you enjoy painting, plumbing, landscaping, electrics, wood working or like to tinker, please let them know! They would welcome your helping hands!!

While there is no cost involved to participate, the cadet program is far from free. Funding for local training is primarily provided by our sponsor, the charitable Navy League of Canada. Parents are encouraged to consider a \$25 donation to the league, as well as becoming members of the branch. Membership is \$10 per year and ensures you have a voice in the delivery of the program. Cheques can be made payable to The Navy League of Canada New Westminster Branch.
